## IMPROVE YOUR CONNECTION TO STUDENTS WITH COACHING SKILLS

XLR8 Success, Orlando's premier ADHD Coaching Services Company, is proud to present a unique training opportunity with world-renowned expert **Jodi Sleeper-Triplett, MCC, SCAC**, a pioneer in ADHD and youth coaching. Jodi developed the first training course focused on coaching youth with ADHD, which is now offered around the world in three languages.

This workshop is designed to empower educators to bring out the best in their students by incorporating coaching skills into your school environment. Expect to develop coaching skills valuable for all students in all life areas. Enhance your knowledge about ADHD, EF, LD and related issues that impede students' success.

Empower your students to develop strategies to

- predict and manage time needed for schoolwork
- plan and prioritize projects and study practices
- increase focus and sustain attention and effort
- monitor productivity and task completion
- balance school, relationships and life skills

Join us and become the top school in Central Florida!
